

CoQ10 ST-200™

Highly Absorbable Coenzyme Q10

Form: Softgels

Flavor:

Size: 60 Softgels

CoQ10 ST®-200 features a stabilized encapsulation of coenzyme Q10 (CoQ10) manufactured specifically for stability, purity, and bioavailability. CoQ10 is a naturally occurring substance that is essential for energy production and is of particular importance in supporting cardiovascular health. CoQ10 has potent antioxidant properties and cell membrane stabilizing effects, and may help maintain healthy blood pressure already in the normal range. This formula also provides the antioxidant vitamin E.*

Ingredients	Amount Per Serving	% Daily Value
Serving Size	1 Softgel	
Servings Per Container	60	
Vitamin E (as d-alpha tocopherol and mixed tocopherols)	134 mg	893%
Zinc (as zinc oxide)	20 mg	182%
