

## SulforaClear™

### Advanced Sulforaphane Support\*

**Form:** Capsules

**Flavor:**

**Size:** 60 Capsules

**SulforaClear™** features Brassinase™<sup>‡</sup>—a unique combination of broccoli ingredients that supply standardized amounts of glucoraphanin and active myrosinase enzyme to help support sulforaphane production. Sulforaphane is a potent activator of the body’s own antioxidant and detoxifying enzymes and is responsible for many positive health benefits associated with broccoli consumption.\*

| Ingredient  | Amount Per Serving      | % Daily Value |
|---|-------------------------|---------------|
| Serving Size  | 2 Capsules <sup>†</sup> |               |
| Servings Per Container  | 30                      |               |
| Calcium (as dicalcium phosphate)  | 80 mg                   | 6%            |
| Phosphorus (as dicalcium phosphate)   | 60 mg                   | 5%            |
| Broccoli Sprout and Floret Powder (myrosinase activity 30 mg glucose/g) [providing 1 mg sulforaphane potential from 2 mg glucoraphanin] | 204 mg                  | *             |
| Broccoli Seed Extract [providing glucoraphanin (10 mg)]   | 78.5 mg                 | *             |
