

UBIQUINOL MEGA CoQ10

Ubiquinol CoQ10 Mega is a daily softgel formulated for convenient, premium CoQ10 supplementation. Each softgel delivers 100mg of ubiquinol, the active form of CoQ10. Powered by CoCrystal® Ubiquinol, this next-generation ingredient is designed to improve solubility, absorption, and bioavailability, and is delivered in organic olive oil for smooth, efficient uptake. It helps support cardiovascular health, promotes cellular energy production, and provides antioxidant protection.
